GRADE 4

*Keep these ideas in mind as you study **Chapter 10**.*

God our Father made us and gives us life. He gives us all the beautiful things in the world. Every good thing we have is a gift from God.

God is good and much greater than all his gifts. In the First Commandment, God tells us he is the one, true God and to worship only him. He wants us to love him more than any of his gifts.

As the Son of God, Jesus shows us how to love God our Father above everything else. Jesus teaches us to adore God, to worship him above all else because he is our Creator, and to depend upon him for everything.

When we pray, we lift up our minds and hearts to God. God loves us and want to talk with us.

Jesus showed us how to pray and taught us not to make a show of praying and that our prayers will be heard.

The Holy Spirit teaches us to pray. We can thank God for his love and care or ask him for what we need in a petition. We can pray an intercession on behalf of someone else. In prayer, we can also praise God and adore him for just being.

When we honor Mary and the saints, we adore and honor God, who made them. We show our respect for Mary and the saints by asking them to pray for us and by imitating them.
